

MTEA ELECTION – 2017
Candidates for TREASURER

JOCELYNE SCOTT (incumbent)

I have been working in the Montgomery Schools for the past 19 years.

I have worked in all the schools, and at the present time I am at LMS working in the main office as a clerk for Principal Michael Richards.

I am the present Union Treasurer and have held that position for the past 17 years.

I am running again for another term.

I pride myself on being recognized by NJEA as the Number-One Treasurer of all School Unions in Somerset County.

I am also very pleased to report that every year for the past 17 years Montgomery 's books have always passed their county audit.

Before being Union Treasurer, I was an At-Large Representative and a Building Representative for LMS.

In preparing myself for my duties as Treasurer, I have attended many Summer Leadership workshops to learn and understand the intricacies of accounting procedures.

With our past President Chris Crow, I also attended county meetings to stay informed about what was happening at both county and state levels.

I have enjoyed working with the Executive Committee as Treasurer and look forward to continuing my work with them.

I bring experience, commitment and enthusiasm with me. I hope you will vote for me as Treasurer so I can continue my service to you and to all our Union Members for another term.

MAUREEN OCLEPPO

My name is Maureen Ocleppo and I am seeking to represent the members of our Union in the position of MTEA Treasurer.

I have been employed in the district's administrative offices from 1997 to present holding positions of OHES clerk, Village Elementary Clerk and Secretary to the Principals of Village. Duties required in these varying positions include but are not limited to budgets, purchasing and full accountability for the student activity bank account. In addition to my district experience I bring 15 years of corporate teambuilding and leadership skills that enable smooth and productive exchanges and accountability for projects from start to finish.

I am an active member of the Union currently serving on the executive board as an executive at large and assumed the position of building head representative at Village.

I look forward to the opportunity to serve the members of our Union, and provide and honest and detailed representation of its funds.
